

What does  
your bedroom  
have in common  
with the  
Guggenheim  
Museum?

- a. Different strangers passing through every day
- b. Armed guards
- c. You need a map to find the bathroom
- d. An original Picasso etching hanging on the wall

**Great works of art don't always carry big price tags.** Come see for yourself. Important, original works by Rembrandt, Dürer, Hiroshige, Toulouse-Lautrec, Goya, Grant Wood, Warhol, Jacob Lawrence and many others will be on view at the **Seattle Print Fair**. Many works can be purchased for under \$500. The same original Daumier lithograph in the Metropolitan Museum of Art collection can also be in yours.
